

## CDTT FSGT 67- LISTE DES PONGISTES ASSIMILES - SAISON 2010- 2011

Les pongistes classés n'ayant pas renouvelé leur licence durant la dernière saison seront classés assimilés (as) un cran en dessous de leur dernier classement et ce pendant deux saisons.

Exemple:Un pongiste classé 50 deviendra après un an d'arrêt AS 55, et après 2 ans d'arrêt AS 60 et conservera alors ce classement.

Les pongistes qui sont **AS 90** depuis plusieurs saisons sont considérés comme **Non-classés** à partir de la saison 2008/2009.

Les **AS 90\*** marqués d'une étoile redeviendront non classés en 2010/2011, sauf reprise de l'activité pongiste entre temps

Les **AS 90\*\*** marqués de deux étoiles redeviendront non classés en 2011/2012, sauf reprise de l'activité pongiste entre temps.

Tout pongiste qui reprendra une licence à la FSGT, figurera à ce dernier classement. S'il évolue en double licenciation ou affiliation, il reprendra le dernier classement obtenu dans une autre fédération.

**Les Pongistes figurant en gras sont AS pour le première saison.**
